

Annexe "J" au Code Sportif International 1976

Classification, définition et spécifications des voitures

En cas de divergence d'interprétation entre les termes des diverses traductions des règlements officiels de la CSI, le texte français fera seul foi.

Appendix "J" to the International Sporting Code 1976

Classification, definition and specifications of cars

In case of differences of interpretations as regards the terms used in the different translations of the official CSI regulations, the French text will be considered as authentic.

Anhang "J" zum internationalen Automobil-Sportgesetz 1976

Einteilung, Begriffsbestimmungen und Erläuterungen der Fahrzeuge

Im Falle von Streitfragen bei CSI-Bestimmungen ist stets der französische Originaltext verbindlich.

Allegato "J" al Codice Sportivo Internazionale 1976

Classificazione, definizione e caratteristiche delle vetture

In caso di divergenza nell'interpretazione dei termini delle diverse traduzioni dei regolamenti CSI, farà fede il testo francese.

This section went to press on December 11 1975.
Any amendments will be published in the monthly CSI Motor Sport Bulletin.
